

EMPLOYMENT SOLUTIONS

Employment Solutions provides a complete service to meet all your employment law needs, including:

- An audit of employment contracts, policies and procedures
- Remedial work provided for a fixed fee
- Training for line managers and personnel staff
- Regular Employment & Pensions Briefs and Bulletins
- Employment Briefings at our offices
- An annual Mock Tribunal
- Employment Guides on common problem areas
- A fixed fee employment helpline
- An employment protection scheme which covers the legal costs and any compensation awarded in Employment Tribunal claims.

This comprehensive service is provided by a team of expert employment lawyers who will be specifically assigned to your business and who will take time to get to know your organisation and its particular requirements.
